

2009 NKTA Technical Committee Meeting Minutes

Sept 29th

NKTA Tech; John Willett and Don Willott, met with the Jefferson, Clallam, and Bainbridge trails tech people to start coordinating the mapping and trail building efforts for the Sound to Coast Greenway and Kitsap County's part of that, the Sound to Olympics trail in Sequim.

October 28th

Meeting of the NKTA Tech Committee to compile the new data we have been collecting for 2 years for the NKTA String of Pearls Concept Map, the NKTA compilation of North Kitsap's existing legal easement trails and bike paths, and NKTA water Trails Map of existing legal access launches and take outs. Dave Haley, Carolina Veenstra, Don Willott, John Hawkins, Tom Curley, Andrew McMillan, John Kuntz, John Willett of the NKTA Tech Committee

November 16th

Meeting at the Suquamish Natural Resources Building to go over attempts at putting data on maps and new suggestions and changes to the 3 NKTA maps. Heading up the computer work that is putting the data/information on actual maps are Tom Curley, John Kuntz and John Hawkins.

November 23rd

Meeting at SNR to go over new drafts of maps and changes requested. John Hawkins has the draft of the concept map ready, as Tom has the draft of the existing legal trails. Water Trails map is coming along nicely.

December 11

Meeting at SNR to go over final draft of NKTA Concept and Existing trails maps. Hoping to get these finalized and approved by NKTA board by mid January for release to Kitsap Regional Coordinating Council and the County. Water trails map still being produced, drafted and redrafted, as other maps have priority and there is a lot more information to put on water trails map.
